***“Remember the wonderful works God has done,
the miracles, and the judgments God has uttered,”*** Psalm 105:5

In the book of Psalms, David and other psalmists remember all the great things the Lord has done for the people of Israel. In 2023, we looked back on the first 150 years of St. John's Lutheran Church of Little Suamico's history. All the changes this congregation has been through is remarkable. The building(s) have changed, the activities have changed, the membership and makeup of the congregation has changed and you have welcomed many different pastors.

To move forward, it is important to look back and give thanks for all the wonderful things the Lord has done for us. Many of us will start the new year with new goals or new year's resolutions, but to be successful the goals should: 1) Start at a time of change, 2) We should expect obstacles, 3) For more challenging goals we should break down the goal into small manageable chunks, and 4) Have an accountability partner. Some goals we cannot achieve on our own. In ministry, we do this work together. It's not just the pastor doing the work or just the congregation, it is us together. Think about all the sweat equity put into building the newest addition of the church. It took EVERY ONE of you.

This congregation always amazes me and this past year is no different. People show up to help and share their resources. You are a welcoming and inviting people. All the work we do is in the name of Jesus. God with us!

We have to take stock of what has been. We do not leave it in the past but bring pieces forth. Grief or sadness that we experienced in 2023, in some cases even before, does not end with the ball drop in Times Square on New Year's Eve. All we experience builds and shapes who we are and where we are going, just like David, just like Jesus' disciples. We show up in the world as the people of God and learn of the needs of the people around us.

As part of building my leadership skills I am part of a program called Living Well Leading Well through www.vibrantfaith.org. There are so many resources available to me, and our congregation as well, to build up our leadership in our congregation. To be a good leader for you I have to live well to lead well. I have chosen a word for the year. My word is intentional. I want to be intentional in all that I do. I don't want to participate just to participate but I want to be intentional in my participation while listening to the Spirit moving among us. Sometimes that means stepping back from other things. I pray you come along side me to be intentional in all that we do in ministry together. I look forward to remembering the wonderful works God has done and more importantly, intentionally listening to what God is calling us into.

God Bless You for all you do in God's name!

Pr. Stacy

President's REPORT

Greetings Members and Friends of St. John's,

ELCA Pr. Ted Kunze wrote about the story found in Luke 2:22-40. He relates Jesus was just another baby brought by his parents for dedication according to the law of Moses. Simeon and Anna were looking for more. They were seeking a sign of God's consolation and redemption for all people. By the Spirit's guidance these two elders each saw this kind of a sign in Jesus. Simeon sang, "My eyes have seen your salvation" and Anna "began to praise God and to speak about the child to all who were looking for the redemption of Jerusalem."

A new year is beginning and we don't know what the future holds. Pr. Kunze writes that sometimes what we notice depends on what we are seeking. He encourages us, like Simeon and Anna, to look for signs of God's activity in the world, and bear witness to God's redeeming work.

May we enter 2024 with praise and thanksgiving for the many blessings God has given, and continues to give us, knowing He walks with us and guides us as we look for signs and bear witness to His work.

*In peace,
Betty Stevens*

Grandma E's Mandarin Orange Bars

Shared by Shellie Virtues

Bars:
2 cups sugar
2 eggs
2-15 oz cans of mandarin oranges. Drain the juice from one can. I like to use the “no sugar added” oranges.
2 1/8 cups flour
2 teaspoons baking soda
1 teaspoon salt

Mix all ingredients together and pour into well sprayed/greased 9x15 jelly roll pan

Bake 30-35 minutes in preheated 350 degrees oven, center rack

(This recipe can be adapted for a 9x13 pan, need to add 2 1/4 cups of flour instead of 2 1/8 cups. Be sure to bake until golden brown as center takes longer: 35-40 minutes)

Frosting:
Softened 8 ounces cream cheese
4 tablespoons softened butter
1 teaspoon vanilla
2 1/2- 3 cups confectioners sugar
Add milk (about a tablespoon) to desired consistency of frosting

Frost bars after cooling.

ENJOY!

We will be discussing the book, The Nightingale by Kristin Hannah.

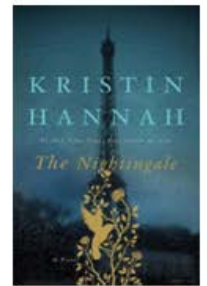

In love we find out who we want to be.
In war we find out who we are.

FRANCE, 1939

In the quiet village of Carriveau, Vianne Mauriac says goodbye to her husband, Antoine, as he heads for the Front. She doesn't believe that the Nazis will invade France...but invade they do, in droves of marching soldiers, in caravans of trucks and tanks, in planes that fill the skies and drop bombs upon the innocent. When a German captain requisitions Vianne's home, she and her daughter must live with the enemy or lose everything. Without food or money or hope, as danger escalates all around them, she is forced to make one impossible choice after another to keep her family alive.

Vianne's sister, Isabelle, is a rebellious eighteen-year-old girl, searching for purpose with all the reckless passion of youth. While thousands of Parisians march into the unknown terrors of war, she meets Gætan, a partisan who believes the French can fight the Nazis from within France, and she falls in love as only the young can...completely. But when he betrays her, Isabelle joins the Resistance and never looks back, risking her life time and again to save others.

With courage, grace and powerful insight, bestselling author Kristin Hannah captures the epic panorama of WWII and illuminates an intimate part of history seldom seen: the women's war. *The Nightingale* tells the stories of two sisters, separated by years and experience, by ideals, passion and circumstance, each embarking on her own dangerous path toward survival, love, and freedom in German-occupied, war-torn France—a heartbreakingly beautiful novel that celebrates the resilience of the human spirit and the durability of women. It is a novel for everyone, a novel for a lifetime.
